Screws: Zinc-plated steel or optionally AISI 304 stainless steel;

Fun

While having fun, children acquire immense abilities, from physical abilities to social interactions.

Socializing

Socialization and imagination are necessary throughout the game. All this creates a relationship between children and awakens the sense of coexistence and solidarity.

Play

Develops patience, sharing and sporting spirit.

Climb

It develops children's motor skills, body control, balance and coordination, stimulating motor ability and strength in movements.
